CSB Switch Kit Checklist

Thank you for choosing Casey State Bank. We are dedicated to ensuring that your transition is a smooth one.

STEP 1: Get Organized

- Open a Casey State Bank account. We know your time is valuable, so please complete the Customer Information Form before coming in to make the process as fast as possible.
- Review your last few statements and identify all automatic payments and automatic deposits

Note: Keep in mind that not all automatic payments that you have previously established occur on a monthly basis. For example, insurance payments, some utilities and federal and state tax returns/payments can occur on irregular intervals such as bi-monthly, quarterly or even on an annual basis.

STEP 2: Move Your Direct Deposit & Automatic Payments

- Prepare to move your direct deposit by using the Direct Deposit Information Sheet.

Note: You may be asked to fill out an additional form by the company making the direct deposit.

- To transfer Social Security direct deposit, you can either call Social Security Administration at 1.800.772.1213 or go to www.ssa.gov/deposit/howtosign.htm
- Set up new automatic payments. You can use the Authorization to Change Automatic Payments Letter, or consider Casey State Bank Online Banking with free bill pay as an alternative that gives you more control over your money.

If you are setting up more than one automatic payment, make additional copies of the Authorization to Change Automatic Payments Letter for each automatic payment.

Note: You may be asked to fill out an additional form by the company making the automatic payment.

STEP 3: Close Your Old Account

- Confirm all checks have cleared and all automatic payments have been transferred to your new account. Leave sufficient funds in your former account to cover any outstanding checks or pending automatic payments.
- Complete the Account Closure Request Letter and send it to your former financial institution. Some financial institutions may require you to fill out additional forms. If your account is an interest-bearing account, request to have your accrued interest paid prior to closing.
- Destroy any unused checks, ATM/debit and credit cards, and deposit slips associated with your former accounts. We can destroy them for you if needed.
- Start using your Casey State Bank account exclusively.

STEP 4: Keep Copies for Your Records

- Remember to keep a copy of all documents, letters and forms for your personal records.

STEP 5: Transfer Other Accounts

- Consider making your financial life less complicated by transferring other accounts to Casey State Bank. We offer a complete line of banking products including mortgage services. With all of your funds in one place, your banking will be easier. Our banking team will be able to help you manage your finances and find ways to make your money work harder for you.
- Call us at 217.932.2136, or visit one of our branches and we will be happy to assist you.

We're here to help make the switch easy!
Thanks again for choosing Casey State Bank!

Account Closing Request Instructions

Before sending the Account Closing Request Form:

1. Check with your former bank to make sure that no additional information or forms are required.
2. If multiple accounts are involved, please complete a form for each account.
3. Inquire about any possible penalties with respect to early withdrawal before you close the account. If the account you are closing is a Certificate of Deposit (CD) it is important to check the maturity date. You may want to delay the switch of a CD to avoid penalties.

5. Be sure that all automatic transactions have made the switch to your new **Casey State Bank Checking Account** prior to submitting the Account Closing Request Form.

After you've sent the Account Closing Request Form:

1. Check account statements from your former bank to verify that accounts have a zero balance and have been closed.
